11.00 FIRST PLENARY

1 Introduction to 'Claiming our Future'

2. Creative moment – video.

- How did we get here? What is going on? Where are we heading?

11.30 WHAT VALUES SHOULD SHAPE OUR FUTURE?

3. Café style deliberation on the values to shape our future

- Small table discussion with participants drawn from different sectors.
- Discussion to identify the priority values that should underpin and shape an alternative Ireland, that could mobilize us and that we could unite behind.
- The discussion will be assisted by a card listing out a range of key values for consideration.
- Set out five values in order of preference that have the potential to mobilize us.
- Identify any other value that has potential to mobilize us but that is not included in the list.

4. Creative moment – A value base for the new Ireland

5. Presentation of consensus on priority values that could mobilize us and that we could unite behind

12.30 WHAT POLICY CHOICES COULD GIVE EXPRESSION TO THESE VALUES?

6. Café style deliberation on the policy choices to achieve our future

- Small table discussion with participation drawn from different sectors. Each table will discuss two of the six themed areas in the 'Choices' document.
- Each themed area will be supported by poster cards setting out the policy choices that have emerged during the build up to 'Claiming our Future'.
- The deliberation will aim to identify the preferences for each policy choice in each themed area on the basis of:
 - transformative potential,
 - ability to be popularized,
 - relevance across different sectors,
 - specificity of focus.
- The themed areas to deliberate on the policy choices will be:
 - Economic development to serve people
 - An effective response to environmental challenges
 - Enhanced economic, social and cultural participation
 - Public sector renewal
 - Reformed taxation and income policies
 - Democratic reform
- The deliberation will also identify if there are further themed areas that should be a focus into the future or if there are further policy choices that were not identified but should be considered in the future.

7. Creative moment – Policy choices for an alternative Ireland

8. Presentation of consensus on priority policy choice for each themed area that we could unite behind and work to progress.
